First National Bank of Chester County Installs a No-Envelope Intelligent Deposit ATM

WEST CHESTER _ First National Bank of Chester County recently installed an NCR State of the Art Intelligent Deposit ATM at the 17 Market Street, West Chester, PA location.

The new ATM allows First National customers to deposit checks and cash directly into the ATM eliminating the need for the customer to use an envelope when depositing funds. The check image and the cash deposit denominations are presented not only on the ATM screen for the consumer to confirm accuracy; but as well on their receipts

“The days of putting your checks and cash in an envelope are over”, stated Anthony Poluch, Executive Vice President of Business Development for First National Bank of Chester County. “This new technology allows our customers instant proof of the transaction thereby building more trust and confidence in the technology utilized by our bank.”

First Chester County Corporation and its wholly owned subsidiary, First National Bank of Chester County, is a financial institution with 23 branch offices located in Chester, Delaware, Lancaster and Cumberland counties. Founded in 1863, First National Bank of Chester County is the eighth oldest national bank in the country. First National provides quality financial services to individuals, businesses, government entities, non profit organizations, and community service groups.

Wealth Management and Trust Services are provided through First National Wealth Management, a division of First National Bank of Chester County.

Mortgage services are provided through American Home Bank, a division of First National Bank of Chester County. American Home Bank (AHB) has multiple national delivery channels in the retail and wholesale mortgage arena as well as joint venture mortgage partnerships with builder and systems-built manufacturers.
