First National Wealth Management A Sponsor of the Willowdale Steeplechase

WEST CHESTER_ First National Wealth Management, a division of First National Bank of Chester County was one of the sponsors for the 18th running of the Willowdale Steeplechase held on May 9, 2010.

The Willowdale Steeplechase is an exciting and family-friendly event held every year on Mother's Day. From the Jack Russell Terrier races to the children's pony races to the exciting Steeplechase races, the day is filled with activities for the whole family. Because of strong support from the sponsors and local community, The Willowdale Steeplechase has become one of the largest annual fundraisers in Southern Chester County.

"We are pleased to have sponsors such as First National Wealth Management who continue to sponsor the Steeplechase year after year," said Dixon Stroud, Race Chairman. "Over the years their increased support has allowed us to give back even more to the community."

"Since its beginning, the Willowdale Steeplechase has donated over \$250,000 to local charities. This year, the funds raised went to support the work of the University Of Pennsylvania School Of Veterinary Medicine at New Bolton Center, Quest Therapeutic Riding Services, Inc. and the Stroud Water Research Center," commented Clay T. Henry, Executive Vice President and Manager of First National Wealth Management.

First Chester County Corporation and its wholly owned subsidiary, First National Bank of Chester County, is a financial institution with 23 branch offices located in Chester, Montgomery, Delaware, Lancaster, and Cumberland counties. Founded in 1863, First National Bank of Chester County is the eighth oldest national bank in the country. First National provides quality financial services to individuals, businesses, government entities, non profit organizations, and community service groups.

Wealth Management and Trust Services are provided through First National Wealth Management, a division of First National Bank of Chester County.
